Extraordinary general meeting and information meeting **November 3rd, 2020**

BRF Betsövägen will hold an extra general meeting and information meeting on November 3, 2020, partly to make decisions about new statutes, and partly to discuss how the extension of 3 floors will affect our association.

The meeting is held in Boo Folkets Hus, Orminge Centrum behind Boo Församlingshus (Utövägen 2 is the address, but the easiest way to get there is from the Orminge center via the exit on the upper floor).

Program:

18:30 to 19:00: Extraordinary General Meeting (FOR MEMBERS ONLY)

Presentation and vote on the new statutes. A separate notice, with the updated articles of association attached, is sent to all members.

19:00 to 21:20 Information meeting about Vision Betsövägen (MEMBERS AND TENANTS)

The focus of the meeting is what the project means for our association such as balconies, new lifts, new entrances, etc. but also on what the project will look like.

The meeting will be attended by our construction project manager and representative of the architect, Wingårdhs.

Practical information:

In the room we will have 50 places, as we cannot receive more under current circumstances. We therefore also offer the opportunity to participate digitally via Zoom on the Web. If you, or persons you live with, have any symptoms associated with COVID-19, or belong to a risk group, you should choose to participate digitally.

To participate digitally, you do not need to download anything to your computer, just paste the link below into the web browser and follow the instructions:
